

NPWGTWY SMS GATEWAY INSTALLATION GUIDE

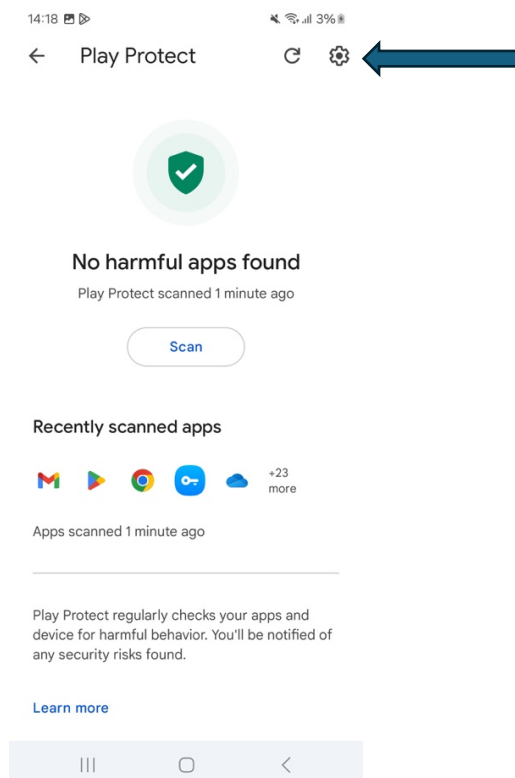

1. Open the Google Play Store. Click on the Profile photo section.

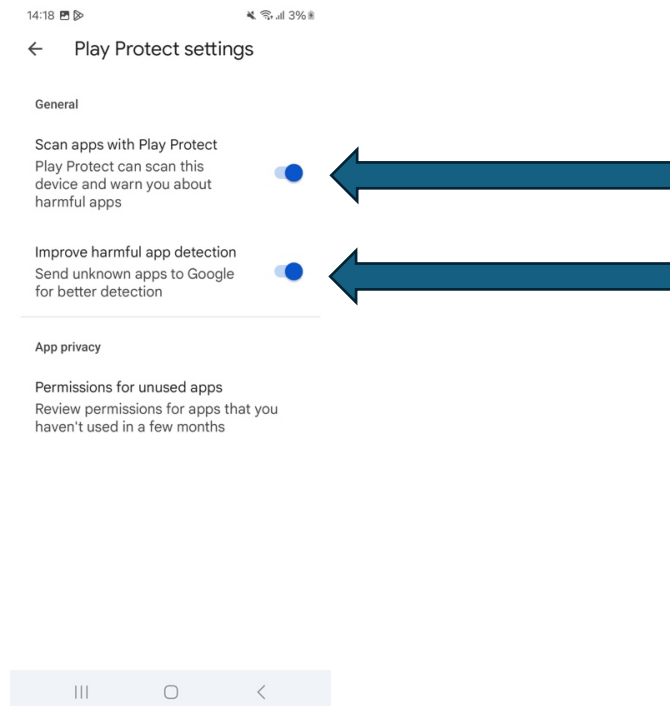

2. Click on the Play Protect option.

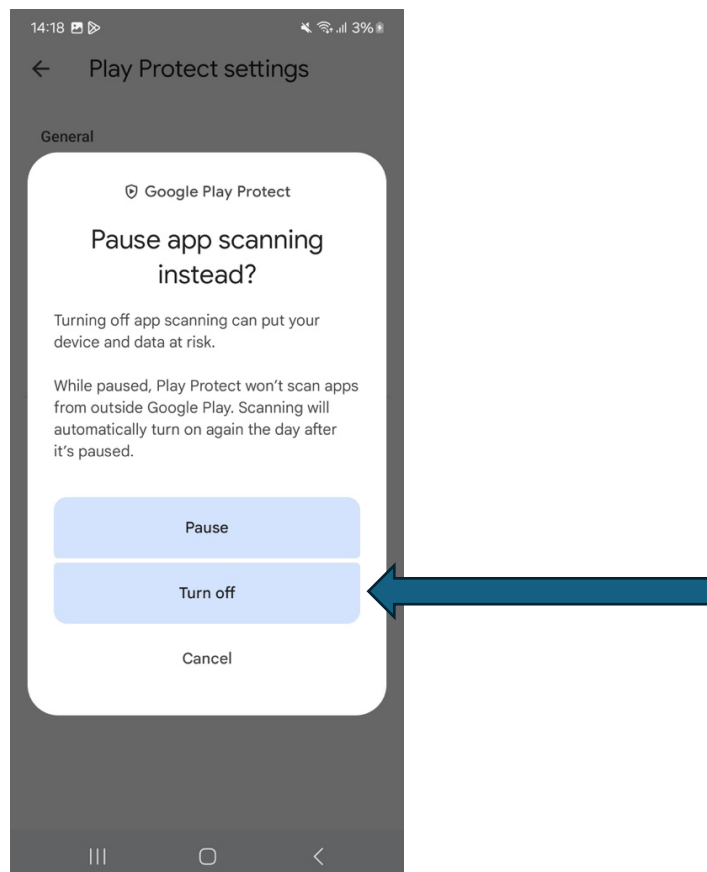

3. Click on the settings icon in the top right corner.

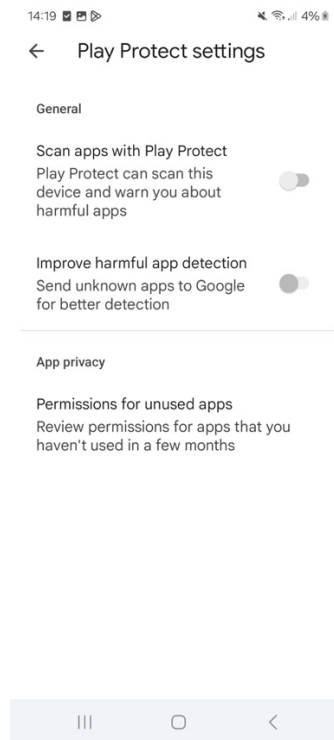

- Here we close the two open options. At this stage, it may ask for the phone password.

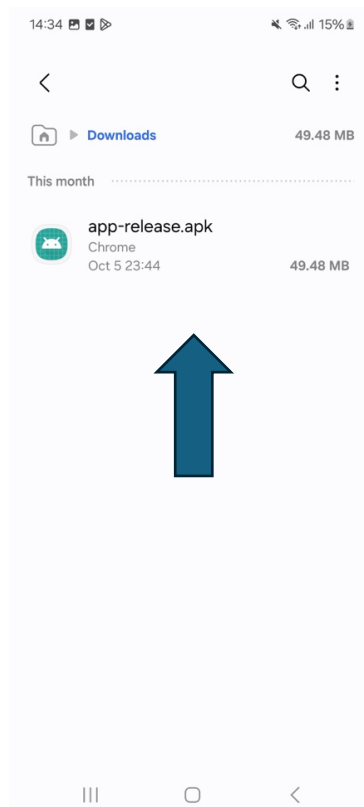

- We turn it off by pressing the Turn Off button. At this stage, it may ask for the phone password.

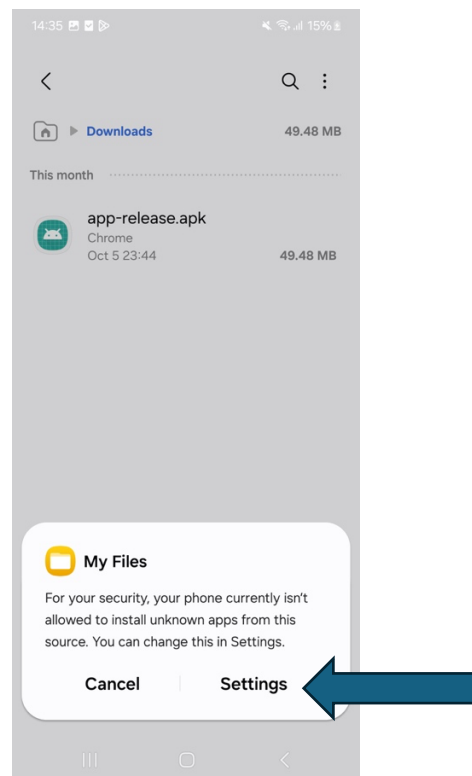

6. It should look like this, then we exit.

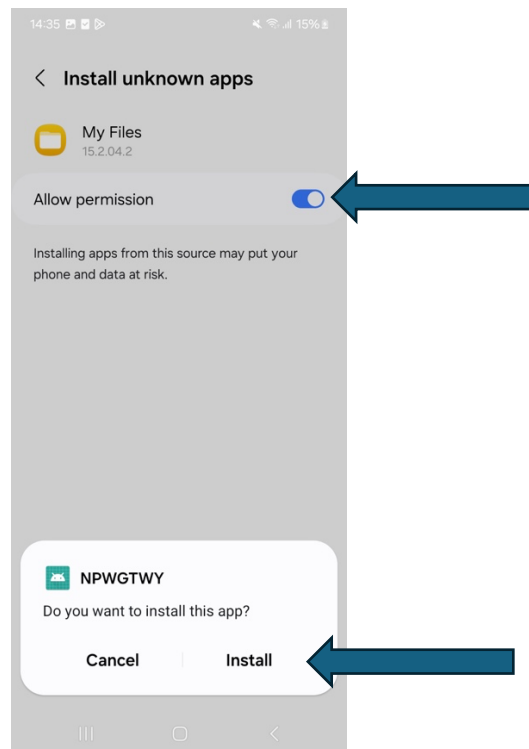

7. We open the file we downloaded.

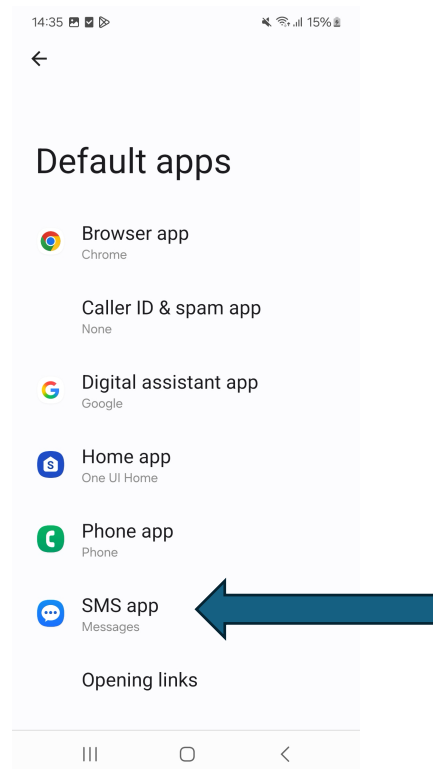

8. After clicking on the APK, a screen like this will appear and we will click on the settings button.

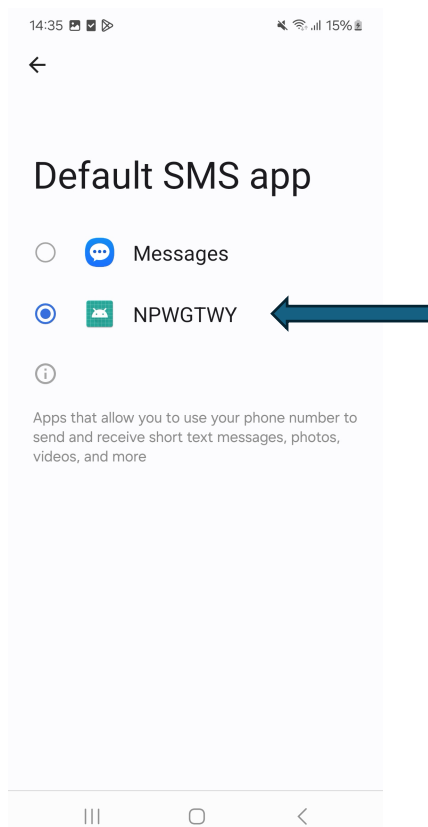

9. We open the button here and click on the install button.

10. The app is installed. Open the app and accept all permissions. We'll need to select the default SMS app. When the app redirects you to this page for permissions, select the **SMS APP**.

11. We select NPWGTWY from the page that opens.

12. And finally, we click Start Service and everything is ready.
